Youth Recognition:

Kody Michael Fowler is aging out of the FFA program this year. He has been active in both the county 4-H and FFA programs; a member of 4-H for 6 years and UHS FFA for the past 7 years. Kody has been influential in Monongalia County through mentoring and donating stock to fellow 4-H & FFA members over the years start the market rabbit project. The pinnacle of Kody's FFA pathway was when he achieved the West Virginia State FFA Degree in 2018 and the American FFA Degree in 2019. He was the first recipient of the American FFA Degree in Monongalia County since early 1970's. As Kody becomes an Alumni of this program, he leaves behind a legacy and show genetics than many will strive for in the future. We know, Kody will only have complete success in all of his future endeavors.
