Gender and fertility are not guaranteed.

Youth Recognition:

Claire Price is a longtime member of the Little Indian Creek 4-H Club and the Monongalia County 4-H Shooting Sports Club. Over the years, she's enjoyed many camps, fair weeks and successful rifle competitions.

As a 4-H Vetted Volunteer, she assists at Monongalia County 4-H Shooting Sports Club. She has also demonstrated rabbit handling and care to young audiences.

After successfully completing multiple semesters in Fairmont State's Nursing Program, she decided that this wasn't what she wanted. Claire is now exploring new opportunities and has recently accepted a position at Mountaineer Veterinary Clinic.

~ Love Always Mom, Dad, Family and Friends

Marina Maxwell has been showing animals at the Mon County Fair since the age of 8. It all started with a little goat named Crinkle. Once Marina was old enough to join 4-H, she moved on to showing at the county, state, and national level.

She was involved in everything she could exhibiting cooking projects, poultry, hogs, goats, rabbits, and sheep. She was involved in riflery, livestock judging, beef quiz team, and very much enjoyed spending her summers at 4-H camp as both a counselor and a camper. Marina started her college journey with an eye toward agriculture education with plans to work in extension but returned to her first love of caring for others and switched to nursing. She will be graduating from Fairmont State University in May 2024 with her RN degree.

We are so very proud of you!

~Love Always, Mom, Dad, Hannah, Ty, Rest of Family and Friends

All Participants Are Members of:

**Monongalia County 4-H
University High FFA
Clay – Battelle FFA**
